2. Heat water in the microwave for 90 seconds.
3. Add bouillon cubs, mushroom base, garlic, and onion powder to warm water and incorporate well.
4. Pour the water mixture into the bowl with the Jackfruit strips and Marinade for 1 + hours.
5. Water saute onion until soft. Pour the entire contents of the Jackfruit mixture into sauteed onions. Saute slowly, allowing Jackfruit to become tender like "steak" meat.
